Accessibility Statement

Spirit Data Capture Ltd is committed to making our website accessible to everyone, regardless of the particular tools they use to browse the web.

We have designed our website to be accessible to all and be adherent to Web Content Accessibility Guidelines 1.0 Level 2 (<http://www.w3.org/TR/WCAG10>).

If you are using a device such as a speech-reader, a specialised web browser, or any other type of dedicated hardware or software to view our web pages, then we want to ensure that our web site works correctly with your equipment.

If you believe that our website is not accessible to you, please contact us via the links on our contacts page.
